Officer Of the Day (OOD) Rota

This is a 'rolling rota'. The OOD is:

- the first person on the list who is present; or
- if you wish to take your turn early, you may.

When you do an OOD duty:

1. cross out your name;
2. write it in the empty space at the bottom of the list;

You will automatically be awarded average points for those races as a helm on one occasion per series.

Inexperienced R.O.s (marked *) must pair up with an experienced race officer.

The image displays two vertical columns of empty rectangular boxes, likely representing a list or a table. The left column consists of 25 boxes, and the right column consists of 25 boxes. A line connects the bottom of the left column to the top of the right column, with a downward-pointing arrowhead at the top of the right column.

N.B. those marked * are 'under training' (see cover sheet).
